ACT ONE

FADE IN:

EXT. SPACE - ABOVE PLANET FIRE - AURORA'S P.O.V.

A Beast Drone ship dives TOWARD CAMERA and from either side of camera (O.S.), shots fire from the Aurora, targeting the Beast Drone Ship. It implodes directly in FRONT OF CAMERA.

FOLLOW the Aurora as it BLASTS through the spot where the Beast Drone Ship had been.

TEKLA (O.S.)
(1) Drone Ship hard to starboard!

As they finish their pass, another BD Ship FIRES at them.

CRYOS (O.S.)
(2) Allow me.

The Aurora's jets FIRE as it pivots in place. The blasts from the BD Ship cross in front of it, as the Aurora's guns BLAST the BD Ship, imploding it.

The Aurora does a fast horizontal, then a vertical 360, scanning for any other BD Ships.

INT. AURORA

TEKLA (O.S.)
(3) All clear...for now.

CRYOS and TEKLA, with VOXX hovering above, sit back in their chairs in the Aurora's command center, each paying attention to their particular console. Cryos hits the comm button. On the screen appears the standard Planet Fire symbol.

CRYOS
(4) King Cryos to Planet Fire. King Cryos to Planet Fire.

INT. FIRE PALACE CONFERENCE ROOM

In the conference room are GRAVEHEART, FEMUR, THE GRAND VIZIER, and PYRUS. The Vizier sits at Pyrus' left, Femur on his right. Graveheart's seated at the far end of the table. Two FIRE PALACE GUARDS stand nearby. In the middle of the table floats Cryos' holographic image.

PYRUS

Pyrus here, whatÕs up?

INT. AURORA

CRYOS

Ready to begin planetary scan.

INT.FIRE PALACE CONFERENCE ROOM

PYRUS
(5) About time. The Beast Drones are hiding somewhere in our Planet Cluster. I just hope it isn't here.

Tekla interrupts, leaning over Cryos.

TEKLA
(6) A faint hope, I fear, considering we just ran into another Drone ship patrol.

CRYOS
(7) They appear to be multiplying with astonishing alacrity.

There's a grim look on Graveheart's face.

GRAVEHEART
(8) Everything you warned us about seems to be coming true, Tekla.

TEKLA
(9) But at least now we are prepared.

The Grand Vizier FROWNS.

GRAND VIZIER
(to Pyrus)
(10) I am still not comfortable with this, Sire. Are you certain these outworlders will not compromise our security?

PYRUS
(11) Positive Vizier
(to image of Cryos)
Go for it, King Cryos. We'll be waiting.

CRYOS
Aurora out.

The Grand Vizier looks around the table, and a look of DISTASTE appears on his face.

GRAND VIZIER
(12) And where is the other Rock...commoner?

Pyrus SMILES as he replies.

PYRUS
(13) Jade? I think she went out for a walk.

CLOSE ON GRAVEHEART - he flinches, not happy about this.

GRAVEHEART
(sotto)
(14) Oh, no.

CUT TO:

EXT. PLANET FIRE - URBAN CITY STREET - AFTERNOON

It's a very urban area, with apartments above shops, shadowed alleys and doorways, people on the street, etc. It's not very prosperous, and there aren't very many people out. JADE strides down the street, eyes looking left and right, checking out the defensibility of the place. Doors slam as she approaches. To her right in a doorway is a SHOP OWNER.

ON DOORWAY OF SHOP

the Shop Owner turns off his neon sign as Jade passes.

TIGHT ON JADE - as she REACTS with scorn at their stupidity. She continues scanning every doorway and alley as she walks.

JADE
(15) I do not know what Graveheart sees in these people.

Two buildings behind Jade, a shadow (LAMPREY) moves from alley mouth to doorway, following her, never quite visible.

Suddenly, Jade whirls around and looks behind her.

JADE'S P.O.V.

Nothing there. But on the far side of the street, a MOTHER wraps her arms protectively around her CHILD and pulls the child inside the nearest door as if afraid of Jade.

As Jade turns back, she is accidentally bumped into by MAGMUS, a burly Fire person coming the other way.

MAGMUS
(angrily)
(16) Watch where you're walking, Rockhound!

JADE
(15) You bumped into me, oaf.

Angry, Magmus steps in front of Jade and won't let her pass.

MAGMUS
(16) This is my planet, my street. You don't like it? Then get off our world.

Jade looks at Magmus, her eyes narrowing, getting pissed.

MAGMUS (CONT'D)
(17) The Prince cannot protect you forever.

Suddenly, Magmus roughly PUSHES Jade out of his path.

MAGMUS (CONT'D)
(18) Now step aside and let a better being pass.

Instantly, an angry Jade pushes back, one-handed, knocking the startled Magmus on his butt.

MAGMUS
(startled grunt)

JADE
(19) Do not push your luck, fool.

Barely restraining her anger, Jade glowers down at the fallen Magmus, pointing an accusing finger at him.

JADE (CONT'D)
(20) If not for Graveheart, I would rip out your lungs for that.

Tight on Jade's face, anger threatening to seethe over.

JADE (CONT'D)
(21) Touch me again, and I will kill you.

Scrambling back to his feet, Magmus backs away from Jade, then turns and flees down a nearby alley.

MAGMUS
(feigning bravado)
(22) This is not over!

Jade glares down the alley after him.

JADE
(23) Any time, any place, fool.

JadeÕs gun lies on the ground as she walks away.

CUT TO:

INT. FIRE PALACE CONFERENCE ROOM

The Grand Vizier leans closer to Pyrus, establishing firmly that the two of them are a team, regardless of the Alliance.

GRAND VIZIER
(24) My Prince, I beseech you, we can defend our own world.

PYRUS
(25) You haven't seen the Beast Drones in action, Vizier. I have. Believe me, this Alliance is for the best.

DISSOLVE TO:

INT. FIRE PALACE CONFERENCE ROOM - SOME TIME LATER

A Fire Security Guard quietly enters the room, stands by the doorway, and gestures to the Vizier. Leaving the others at the table, the Vizier walks over to join the Guard.

The Guard WHISPERS something into the Vizier's ear and the Vizier responds in ASTONISHMENT.

GRAND VIZIER
(26) WHAT--?

All other heads at the table turn to the Vizier as he returns to the table, looking down at Graveheart with LOATHING, then looking at Pyrus sadly.

PYRUS
(27) What is it, Vizier?

GRAND VIZIER
(28) Sire, there...there has been a murder.

PYRUS
(disbelief)

(29) A murder? Here? But we of Fire never kill our own. Who would do such a thing?

At which point, of course, Jade enters the room.

The Grand Vizier POINTS at her, furious.

GRAND VIZIER
(30) Who else?
JADE
(31) Now what?

GRAND VIZIER
The barbarian!

Jade looks at the Vizier, eyes narrowed in puzzlement.

Graveheart immediately steps between Jade and the Vizier.

GRAVEHEART
(32) That's absurd! Jade could never...

The Vizier glares at Graveheart, then turns to his guards.

VIZIER
(33) Couldn't she? Guards, take her into custody -- for the crime of murder!

The Palace Guards, one on each side of the table, turn toward Jade and ready their weapons. She looks at them. Palace Guard #1 aims his weapon at Jade, steps toward her.

JADE
(34) Stay back. You don't want to do this.

As the Palace Guard lunges toward Jade, she DUCKS, and SWEEPS one leg, knocking Palace Guard #1's feet out from under him. As he falls she GRABS his weapon.

Palace Guard #1 HITS the floor, and Jade has his weapon POINTED AT Palace Guard #2 who is caught flatfooted.

GRAVEHEART (OS)
(36) Jade, that's enough.

JADE
(35) I warned you.

Jade continues to hold the weapon on the two Guards. Graveheart faces her, hand outstretched for the weapon.

JADE

(38) Tell them to back off as well.
GRAVEHEART (CONT'D)
(37) Please, don't do anything to jeopardize the Alliance. We'll work this out.

Jade SNARLS, then hands him the weapon.

JADE
I am no murderer.

ON FEMUR, PYRUS, AND GRAND VIZIER

Femur looks smug, as if this doesn't surprise him, Pyrus looks concerned, and the Vizier looks victorious.

FADE OUT.

END ACT ONE

ACT TWO

FADE IN:

INT. FIRE PALACE CONFERENCE ROOM

Pyrus is looking out at his planet pondering the recent events. The Palace Guards and Jade are gone.

GRAVEHEART
(39) Prince Pyrus, you know Jade. You know she could never have done this.

The Grand Vizier interrupts.

GRAND VIZIER
(40) That remains to be seen.

The Vizier turns to look Graveheart right in the eye.

GRAVEHEART
(42) I'm telling you, she's innocent!

GRAND VIZIER (CONT'D)
(41) You should know, in our world, the penalty for murder is...death.

He turns to Prince Pyrus.

GRAVEHEART (CONT'D)
(43) Your Highness, please, just give me some time and I can prove Jade didnÕt do this.

The Grand Vizier STANDS.

GRAND VIZIER
(44) There are witnesses who put her at the scene, who heard her threaten the victim. There is no question of her guilt.

Pyrus looks at the Vizier.

PYRUS
(45) Unless someone actually saw the murder, there's always a question. Frankly, I've got a bunch of them myself.

Femur perks up.

FEMUR

(46) You're kiddin', right, kid? I mean, look how often she's tried t' murder me!

GRAND VIZIER
(47) In your case, toad, it is justifiable homicide.

Pyrus ignores this exchange.

PYRUS
(48) Okay, Graveheart, you've got til sunset to find some new evidence.

He almost, but not quite, smiles.

GRAND VIZIER
(51) Otherwise, we will simply have...justice.

EXT. LAVA DAMN - ESTABLISH

A guard bangs the large gong outside of the lava damn. The doors to the damn open and the lava begins to flow.

DISSOLVE TO:

INT./EXT. FIRE PRISON CAGE - SOON AFTER

It's a large cage, dangling above a lava flow, with a path leading to it. Jade WATCHES as a similar cell nearby is suddenly destroyed by a geyser of lava. Then she returns to PACING her cell like a caged tiger.

FEMUR (OS)
(52) Gee, whatÕs a classy dame like you doinÕ in a place like this?

ON CELL DOOR FROM INSIDE CELL

The cell door swings open to reveal Femur (with a briefcase) and a Guard. Femur SMILES at Jade and sidles inside. The cage door SWINGS CLOSED and with a loud CLANK is locked.

JADE
(53) If you've come to gloat, reptile, it will be brief.

FEMUR
(54) Nothin' so crude, toots. I'm gonna be representin' you at the trial...assuming we have one.

Jade looks at Femur eating disgustingly, then leans against the opposite wall of the cell.

JADE
(55) Trial? What a joke. I saw what they tried to do to King Cryos and Graveheart, remember?

Femur looks up at her, a smarmy smile on his face.

FEMUR
(56) Maybe I can get you acquitted, if you're real nice to me.

Jade STRIDES across the room, PICKS UP Femur by the throat and SLAMS him against the bars, his feet DANGLING.

FEMUR
(strangled voice)
(57) Wha'd I say? Wha'd I say?

CUT TO:

INT. FIRE PALACE CONFERENCE ROOM

Pyrus and Graveheart are talking, with the Grand Vizier standing behind Pyrus.

GRAVEHEART
(58) Look, we both know Jade would kill only in self-defense. I've got to talk to the witnesses.

PYRUS
(59) The trick is getting them to talk to you. I'd better come along.

GRAND VIZIER
(horrified)
(60) But you're the Prince! Why must you continue to aid these offworlders?

Pyrus turns and LOOKS at the Grand Vizier. The Grand Vizier

STEPS BACK.

PYRUS
(61) You just said it yourself, Vizier. I'm the Prince. I can do whatever I want.

CUT TO:

INT. FIRE PRISON CELL - SOON AFTER

Jade still has Femur dangling from her hand, his feet kicking against the bars.

FEMUR
(strangled voice)
(62) This is...startin' t' get...monotonous. I'm just tryin'...t' help, doll.

Slowly, Jade LOWERS him to the floor.

JADE
(63) Just one more wrong word, toad...

Femur restores his clothing to his usual.

FEMUR (CON'T)
(64) That's better. Okay, so let's hear your version of what went on.

Jade GLARES at him.

JADE
(65) It's not my version. It is the truth.

FEMUR
(66) Ooh itÕs the truth. Yeah, yeah. Sure. Whatever.

Jade glares at him, then returns to pacing the cage.

JADE
(67) The dead man insulted me, pushed me. I pushed back. He fled. I walked away.

Femur looks at her like she's a lackwit.

FEMUR
(68) That's it? That's your whole defense?

JADE
(69) It is.

Femur SHRUGS, gathers the remains of his lunch and stuffs them back into his briefcase.

FEMUR
(70) Then I got a little suggestion for ya, toots...learn t' lie.

On Jade's look of outrage, we

CUT TO:

EXT. SPACE - ABOVE PLANET FIRE - AURORA

High above Planet Fire floats the Aurora.

CRYOS (OS)
(71) Scan completed. There is definitely unusual activity down there.

INT. AURORA

CRYOS (CONT'D)
(72) We should investigate as soon as--

TEKLA
(73) Incoming drones, here we go again.

EXT. SPACE

As more Beast Drone Ships close in, guns blazing.

CUT TO:

EXT. PLANET FIRE - URBAN CITY STREET - LATE AFTERNOON

Same street, a little later in the day. Same people: Shop Owner, Mother and Child. They all stand around, looking cautiously at Pyrus and Graveheart, who are talking to a local PATROLMAN, whose mouth is masked.

PYRUS
(75) That's it? That's the best you can do?

The Patrolman SHRUGS apologetically.

PATROLMAN
(76) But that's all they would tell me, Your Highness.

He cocks a thumb toward the Shop Owner.

PATROLMAN (CONT'D)
(77) The Shop Owner saw the original scuffle between the two and heard them arguing.
PATROLMAN
(79) The Mother saw the Rockhound...
(he glances at Graveheart)
...er, suspect attack the victim and threaten his life.
Pyrus presses the point.

PYRUS
(80) But nobody witnessed the actual killing?

The Patrolman rubs the back of his head, then POINTS toward the alley Magmus had used earlier.

PATROLMAN
(81) Well, the woman did see the suspect follow the victim down that alley.

GRAVEHEART
(emphatically)
(82) But nobody actually saw the killing?

The Patrolman SHRUGS sheepishly.

PATROLMAN
(83) Well...uh...no.

Graveheart heads for the alley; Pyrus close behind.

GRAVEHEART
(84) Then I guess that alley's our next stop.

The Patrolman watches them go, then resumes his beat.

PATROLMAN
(85) You're welcome.

As the Patrolman walks off, the sinister SHADOW we saw earlier moves toward the alley behind them.

FADE OUT.

END ACT TWO

ACT THREE

FADE IN:

INT. FIRE PRISON CELL

Jade pauses in her pacing, glances down out of the cell, to see the lava boiling below. It won't be much longer now until the lava geysers up and destroys her.

FEMUR
Ooo, thatÕs gonna be hot babe.
JADE
(86) Come on, Graveheart. Time is wasting.

CUT TO:

EXT. PLANET FIRE - URBAN ALLEY - LATE AFTERNOON

The camera slowly approaches the mouth of the alley. Yellow police tape spans across the alley. Flashes come from inside the alley. On one of the flashes...

FLASH CUT:

EXT. FIRE CITY - INSIDE URBAN ALLEY

Video scanlines scroll through a handheld shot inside the alley of a body outline on the ground.

FLASH CUT:

A shot of the blast marks on the wall.

FLASH CUT:

A shot of some crates in the alley. There are some strange scorched imprints on the side of one of the crates.

FLASH CUT:

Graveheart and Pyrus shield their eyes from the flash. The camera starts to pan away and flashes to static as it is turned off.

FLASH CUT:

A different PATROLMAN lowers a camera and salutes to Pyrus. Pyrus waves him off and the patrolman relaxes. Graveheart moves to examine the blast marks on the wall. The patrolman hands Pyrus the murder weapon (it has an evidence tag hanging from it) and turns and leaves the alley. Pyrus looks at the body outline.

PYRUS
(87) I thought this just happeneed in holo-vids.

Graveheart points at the wall.

GRAVEHEART
(88) Judging by those blast marks, he was shot at close range.

PYRUS
(88a) Hey Graveheart! Come and take a look at this.

Graveheart STANDS and examines the blast marks closely, then abruptly TURNS and LOOKS at Pyrus.

GRAVEHEART
(89) There! That's proof Jade didn't kill anyone.

PYRUS
(90) You're sure?

Graveheart NODS.

PYRUS
(91) Hot stuff!

Pyrus GRINS, pulls out a COMM UNIT, and speaks into it.

PYRUS
(into comm unit)
(92) Prince Pyrus to Grand Vizier. Come meet us at the crime scene. There's something I want to show you.

CUT TO:

EXT. SPACE

As the Aurora finishes imploding the last of the Drone ships.

TEKLA (0S)
That was the last of them

INT. AURORA

Cryos continues touching his screen in various places.

CRYOS

(94) There is definitely evidence of increased Beast Drone activity on Planet Fire.

Tekla turns back to her console and runs some figures.

TEKLA
(95) And, I will wager, the other worlds as well. That is always the Beast's first tactic...to destroy from within.

Cryos turns in his chair to look at her.

CRYOS
(96) Then Graveheart, Pyrus, and Femur must be warned of this at once.

CUT TO:

EXT. PLANET FIRE - URBAN ALLEY - LATE AFTERNOON

The Vizier looks to where Graveheart points on the wall.

GRAVEHEART
(97) These blast marks were make from a rock weapon, true. But take a closer look at the gun itself.

GRAND VIZIER
(98) Which means what?

GRAVEHEART
(99) What I've been saying all along. Jade couldn't have done this.

Pyrus' Comm Unit SFX: BEEPS. He pulls it out.

PYRUS
(100) Pyrus here. What's up?

CRYOS (O.S.)
(101) Our scanner readings indicate Beast Drone activity on the surface. Be careful.

LAMPREY (OS)
(102) An excellent warning, young Prince, though it comes a trifle late.

The Grand Vizier, Pyrus, and Graveheart TURN to face LAMPREY who's between them and the mouth of the alley at the street.

Lamprey STEPS FORWARD and from the shadows on either side of her come a squad of Beast Drones.

LAMPREY (CON'T)

(103) I do so love it when a plan comes together. I'd hoped merely to frame the Amazon and get her out of the way...

Lamprey makes a sweeping gesture toward our heroes.

LAMPREY (CONT'D)
(104) ...But to find the heart of the Alliance caught squarely in my sights. Delicious.

Lamprey FIRES toward Graveheart and the Grand Vizier.

Graveheart GRABS the Vizier, pulling him aside, the shot narrowly missing them both.

GRAVEHEART
(105) No!

Pyrus jumps up onto a crate and extneds his fighting staff. Pyrus throws his staff like a spear at one of the Beast Drones, hitting his containment unit. The Beast Drone implodes.

Lamprey and other Beast Drones begin to fire at Pyrus. Graveheart starts to fire (with JadeÕs pistol) at the Beast Drones firing at Pyrus, and destroys two. Pyrus flips off the crates and lands near Graveheart and the Vizier.

GRAVEHEART
(107) Get out of here, Prince. I'll keep them occupied.

Pyrus reaches for the Grand Vizier.

PYRUS
Come on!

GRAND VIZIER
(106) Forget me, sire. Save yourself!

Pyrus grabs him and the two start down the alley.

Lamprey steps around the "dumpster", and FIRES at the retreating Pyrus and Grand Vizier.

The blast HITS the wall, and leaves exactly the impression seen at the murder site.

PYRUS
(108) Graveheart, come on! This way!

Graveheart RETREATS toward Pyrus and the Grand Vizier, FIRING at the Beast Drones as he backs up.

Lamprey and the Beast Drones fire at Pyrus and the Vizier. The heavy amount of Beast Drone blasts knock a large chunk out of a tower behind Pyrus and the Vizier. The pillar starts to collapse, Pyrus and the Vizier jump out of the way as the pillar blocks the way they were going.

Graveheart finally reaches them.

GRAVEHEART
(109) This way! Hurry!

PYRUS
Come on!!

Graveheart provides COVERING FIRE as Pyrus and the Grand Vizier RUN for Graveheart's side of the alley T.

ON LAMPREY AND BEAST DRONES

As Lamprey looks (OS) toward where the others disappeared.

LAMPREY
Evil laughter

EXT. FIRE JAIL CELL

Jade watches another lava flow rumble over the cliff, it ends. The mechanism that will carry the cage out into the lave flow connects to the cage with a jolt. The cage moves closer to the edge of the platform. Jade looks down at the lava below, and sees two Lava Drones.

EXT. FIRE CITY - INSIDE URBAN ALLEY

It's a dead end, filled with empty cardboard boxes (Fire equivalent). Graveheart stands with Pyrus and the Grand Vizier behind him, facing the corner around which we can hear Lamprey and the BDs.

GRAND VIZIER
(111) A dead end? Are you mad? Do you want to kill us all?

Graveheart GLANCES at at the Grand Vizier, then back toward the corner.

GRAVEHEART
(112) Hey, it's your world. I don't have a map.

LAMPREY
(110) How predictable! Like rats into a trap.

The Vizier pulls Pyrus back behind a crate. Graveheart leans against the wall behind another crate.

LAMPREY (OS)
(113) With you three gone...

ON OPEN "T" OF ALLEY

Lamprey strolls around the corner, weapon ready, with two Beast Drones on either side of her.

LAMPREY (CONT'D)
(114) ...Poor Jade will have to be executed. I'm going to enjoy that...a lot.

The four Drones raise weapons and FIRE toward our heroes.

ON GRAVEHEART, GRAND VIZIER, AND PYRUS

Graveheart crouches against the wall and FIRES continuously, but he can't hit the Drones' containment units so they're simply absorbing the damage. The Grand Vizier SHIELDS Pyrus, who struggles to fight back.

GRAND VIZIER
(115) May you turn to gravel, Rockhound, for endangering my Prince.

Suddenly, Graveheart's weapon stops firing.

TIGHT ON ENERGY READOUT

It's empty.

BACK ON GRAVEHEART

A look of courageous despair fills his face.

Graveheart, holding his weapon sideways in front of him, CHARGES towards the Drones, like a football player defending his quarterback, ignoring their weapons FIRING, which barely misses him.

GRAVEHEART
(116) AARRRRRHHHHHH!

Suddenly the BD furthest on the left IMPLODES, then the one on the far right IMPLODES.

The BDs to the right and left of Lamprey IMPLODE.

Lamprey looks around then STEPS BACKWARDS into a shadow, and disappears.

LAMPREY
(117) Next time, Graveheart.

Around the corner come Cryos and Tekla, weapons in hand.

CRYOS
(118) We thought some assistance might be necessary.

Graveheart SMILES at Cryos.

GRAVEHEART
(119) And well timed. Thanks.

Tekla goes past them to check on Pyrus and the Grand Vizier. The Vizier surveys the scene, grim, then turns to leave.

GRAND VIZIER
(120) Come, there is important business that remains to be finished.

DISSOLVE TO:

EXT. FIRE PALACE CELL - SOON AFTER

Vizier, Pyrus and Graveheart arrive on a thermal skyboat. The Grand Vizier stands to one side of Jade's cage as the Judge, and Femur stands on the other side as the Defending Attorney. Jade stands in her cage as the lava boil gets worse below her. Cryos, Tekla, Graveheart, and Pyrus stand by, watching. The Grand Vizier looks at Jade unhappily.

PYRUS
Stop! I said stop!

JadeÕs cage is swinging precariously above the lava.

PYRUS (contÕd)
Pull her back in!!

GRAND VIZIER

(121) Evidence has been found proving your innocence, Jade of Rock. So I must reluctantly acquit you of all charges.

The cell springs open. Jade steps out. An instant later, the lava erupts, consuming the cage, as our cast recoils, barely out of range.

Jade looks at Graveheart, grimly.

JADE
(122) Think you could have cut it any closer?

DISSOLVE TO:

INT. FIRE PALACE CONFERENCE ROOM - LATER

Everyone stands around, talking. Jade approaches the Vizier.

JADE
(123) It appears I owe you an apology. Apparently, I was wrong. Justice did prevail.

GRAND VIZIER
(looks offended)
(124) We may be hot-tempered, woman, but we are not...barbarians.

Graveheart steps up and rests a hand on Jade's shoulder.

GRAVEHEART
(125) Sorry I put your Prince in danger, Vizier, but at least now, you've seen first-hand what weÕre up against.

The Grand Vizier waves one hand dismissively.

GRAND VIZIER
(126) And that is supposed to change my mind about this Alliance madness?
(he considers this)
Do not hold your breath.

The Grand Vizier TURNS AWAY from Jade and Graveheart, and MOVES toward Prince Pyrus, who's talking with Femur. Cryos stands by.

HOLD ON JADE AND GRAVEHEART

JADE
(127) I knew I could count on you to clear me.

GRAVEHEART
(128) With a little help from some friends.

Jade glances over at Pyrus, Femur, Tekla, Cryos. Femur is telling an animated story.

JADE
(129) In that case, I am lucky to be alive.

FADE OUT:

END EPISODE
